Dear Sister:-

You
have my deepest sym-
pathy in your bereave-
ment. But you trust in
God and pray Him to
give you strength to
bear up under your
bereavement. I wish I
had health to come and
help you. But I can-
not. I would greatly
w^{ould} ^{for you} to care for me
than you already have
I am ^{in haste} ^{truly} ^{your} ^{affectionate}
Your sister, Lillian
